## **FUJIFILM EULA**

By breaking the packaging seal you acknowledge your understanding and acceptance of FUJIFILM's Ultraviolet (UV) and/or Infrared (IR) sensitive digital camera firmware End User License Agreement. The camera firmware contained in each system package is fully activated to engage the camera's UV and/or IR capabilities and ready for use. No other firmware modifications are necessary in order to activate the camera's UV and/or IR wavelength sensitive CCD. **THIS LICENSE IS NON-TRANSFERABLE.**

You hereby acknowledge and agree that your use of the camera's UV and/or IR light energy sensitive capabilities, as enabled by FUJIFILM's camera firmware, will be purely to accomplish a legitimate business purpose in the medical, forensic, fire investigative, law enforcement, scientific, systems integrators, museum/antiquity, aerial photographic survey, astronomy, professional nature and fine art photography, photographic education and local and federal government markets.

In addition, you further agree not to use the camera's hardware and firmware enabled capabilities to engage in unethical photographic conduct involving the violation of personal privacy, child endangerment, lewd photography, and or paparazzi like activities.

As of August 23, 2007
